Otherwise, this limited warranty does not cover damage due to external causes, including accident, abuse, misuse, problems with electrical power, servicing not authorized by Fusion3, usage not in accordance with product instructions, failure to perform required preventive maintenance, and problems caused by use of parts and components not supplied by Fusion3.

Due to wide variations in quality and performance of 3rd party filaments, customer agrees to only use certified materials supplies sold / provided by Fusion3 or Fusion3 approved 3rd parties as designated at (<http://www.fusion3design.com/>). Failure to use approved supplies may void this Limited Warranty at Fusion3's discretion. Fusion3 will ship the repaired or replacement components to you freight prepaid to an address in the continental United States, where applicable.

If limited warranty replacement of the entire printer is warranted, Fusion3 will issue a Return material Authorization Number and schedule freight shipment of the printer back to our depot at Fusion3's cost. Customer is responsible for packing the printer in its original shipping carton and packaging and cooperating with our shipping agents to be available during a time window for pick-up. After your return shipment is received by Fusion3 and your issues have been confirmed to be covered under this warranty, Fusion3 will ship the repaired or replacement printer to you freight prepaid to an address in the continental United States or Canada, where applicable. Fusion3 owns all parts removed from repaired products. Fusion3 uses new and reconditioned parts made by various manufacturers in performing limited warranty repairs and building replacement products. If Fusion3 repairs or replaces a product, its limited warranty term is not extended. In the event that the customer issue is found to fall outside the warranty (including misuse, abuse, non-approved supplies), the customer will be responsible for reasonable shipping cost to and from Fusion3 as well as repair costs.
